DERMATOLOGY FOR THE NON-DERMATOLOGIST

Walt Disney World Resort, Florida – Disney’s Boardwalk Inn Resort  
December 28 – 30, 2014

Participating Faculty

Whitney A. High, MD, JD, MEng  
Associate Professor of Dermatology & Pathology  
Director, Dermatopathology  
University of Colorado School of Medicine  
Denver, Colorado

Misha D. Miller, MD  
Fellow, American College of Mohs Surgery  
Fellow, American Board of Dermatology  
Fellow, American Congress of Obstetrics and Gynecology  
Private Practice  
Denver, Colorado

Mark L. Welch, MD  
Physician, Private Practice  
Bethesda, Maryland  
Fairfax, Virginia
Whitney A. High, MD, JD, MEng
Associate Professor of Dermatology & Pathology
Director, Dermatopathology
University of Colorado School of Medicine
Denver, Colorado

Dr. High received his Bachelor's degree and Master's degree in Chemical Engineering from the Colorado School of Mines in Golden, Colorado. After spending time in industry, he returned to medical school to earn his medical degree from Mayo Clinic, where he graduated at the top of his class. He also holds a law degree.

After medical school, Dr. High completed his dermatology residency at the University of Texas Southwestern Medical Center in Dallas, where he served as Chief Resident. He then returned to Colorado to complete a dermatopathology fellowship at the University of Colorado, where he remained on faculty. He was the youngest person ever appointed to Associate Professor in the Department of Dermatology, and also serves as the Vice Chairman for Clinical Affairs in that department.

Dr. High has a diploma in Tropical Medicine & Hygiene from the Gorgas Institute, and has recognized expertise in infectious dermatology. He is the author of more than two dozen book chapters, more than 65 indexed peer-reviewed articles, and three textbooks. Dr. High serves as an Assistant Editor for the *Journal of the American Academy of Dermatology*. His research laboratory was the first to discover gadolinium in the skin in nephrogenic systemic fibrosis, leading in part to a new black box warning on that medication.

Dr. High is nationally recognized in his field, and he has given lectures in dermatology throughout the United States and in international forums as well. He is board-certified
both in Dermatology and Dermatopathology and maintains active and robust practices. He is married to another dermatologist and has two small children.
Misha D. Miller, MD
Fellow, American College of Mohs Surgery
Fellow, American Board of Dermatology
Fellow, American Congress of Obstetrics and Gynecology
Private Practice
Denver, Colorado

Dr. Miller received her undergraduate degree from Southern Methodist University in Dallas, Texas and her medical degree from Mayo Medical School in Rochester, Minnesota. She completed a residency in Obstetrics and Gynecology at the University of Texas Southwestern Medical Center-Parkland Hospital in Dallas. Dr. Miller recently completed a residency in Dermatology and a Procedural Dermatology Fellowship at the University of Colorado, Denver School of Medicine. She is board certified in Obstetrics and Gynecology and Dermatology. Dr. Miller has received several awards and honors such as the Medicus Award for Outstanding Clinical Care, Knowledge, Teaching, and Dedication to Compassion and Professionalism from the University of Texas Southwestern Medical Center. She has published in Peer Reviewed publications and poster presentations. Dr. Miller is in private practice in Denver.
Mark L. Welch, MD
Physician, Private Practice
Bethesda, Maryland
Fairfax, Virginia

Dr. Welch received his undergraduate degree at Rensselaer Polytechnic Institute in Troy, New York and his medical degree from New York Medical College. After his internship at Madigan Army Medical Center and his residency in Dermatology at Walter Reed Army Medical Center, he received a Mohs Micrographic Surgery fellowship at Brooke Army Medical Center in San Antonio.

Dr. Welch's professional affiliations include the American Academy of Dermatology, the American Medical Association, and the Military Dermatology Association. He has received numerous Army Commendation Medals and the National Defense Service Medal in 1991.

Dr. Welch has presented at numerous medical events and has had articles published in such publications as Journal of Investigative Dermatology, Archives of Dermatology, the Journal of the American Academy of Dermatology, and Clinical Cases in Dermatology.
Sunday, December 28th:

7:30 am – 8:00 am  
Registration and Hot Breakfast

8:00 am – 9:00 am – Whitney A. High, MD, JD, MEng  
Dermatitis  
Contact, atopic, irritant, nummular, seborrheic and exfoliative; diagnosis and management

9:00 am – 10:00 am – Whitney A. High, MD, JD, MEng  
Papulosquamous Diseases  
Psoriasis, lichen planus, pityriasis rosea, lupus erythematosus; how to tell one scaly rash from another

10:00 am – 10:10 am  
Coffee Break

10:10 am – 11:10 am – Whitney A. High, MD, JD, MEng  
Viral Infections  
Herpes simplex, varicella-zoster, viral exanthems, molluscum and warts

11:10 am – 12:10 pm – Misha D. Miller, MD  
Bacterial Infections  
Impetigo, ecthyma, folliculitis, furunculosis, necrotizing fasciitis, Lyme disease, syphilis; diagnosis and management

12:10 pm – 12:40 pm – Misha D. Miller, MD  
Acne and Acneiform Eruptions  
Topical and systemic therapy

12:40 pm  
Session Adjourns
Monday, December 29th:

7:30 am – 8:00 am
Hot Breakfast

8:00 am – 9:00 am – Misha D. Miller, MD
Skin Manifestations of Systemic Disease
Diagnosis of internal disease based on cutaneous findings

9:00 am – 9:30 am – Misha D. Miller, MD
Case Presentations

9:30 am – 10:30 am – Whitney A. High, MD, JD, MEng
Fungal Infections
Dermatophytes, tinea versicolor, candidiasis, selected deep fungal infections; diagnosis and management

10:30 am – 10:40 am
Coffee Break

10:40 am – 11:40 am – Mark L. Welch, MD
Benign Skin Tumors.
Nevi, seborrheic keratosis keloids, hemangiomas and miscellaneous tumors

11:40 am – 12:40 pm – Mark L. Welch, MD
Skin Surgery for Primary Care Physicians

12:40 pm
Session Adjourns
Tuesday, December 30th:

7:30 am – 8:00 am
Continental Breakfast

8:00 am – 9:00 am – Mark L. Welch, MD
Premalignant and Malignant Skin Tumors
Actinic keratosis, Bowen’s disease, squamous cell carcinoma, basal cell carcinoma, melanoma and other selected tumors

9:00 am – 10:00 am – Mark L. Welch, MD
Case Presentations

10:00 am
Conference Adjourns

Target Audience
This program is targeted to office-based primary care providers and other health professionals with updates in primary care medicine

Learning Objectives
Upon completion of this program, participants should be better able to:

- Discriminate the diagnostic principles and treatment options for dermatitis, papulosquamous diseases, as well as viral, fungal and bacterial infections
- Describe the step-wise approach for the diagnosis and treatment of acne and acneiform eruptions
- Identify cutaneous findings that serve as surrogates of internal diseases
- Differentiate benign and malignant skin tumors and employ appropriate interoffice procedures
- Counsel patients on appropriate sun protection measures

Nursing Purpose Statement To provide updates in primary care medicine to office based providers
Disclosure of Conflicts of Interest
Medical Education Resources insures balance, independence, objectivity, and scientific rigor in all our educational programs. In accordance with this policy, MER identifies conflicts of interest with its instructors, content managers, and other individuals who are in a position to control the content of an activity. Conflicts are resolved by MER to ensure that all scientific research referred to, reported, or used in a CME activity conforms to the generally accepted standards of experimental design, data collection, and analysis. MER is committed to providing its learners with high-quality CME activities that promote improvements or quality in health care and not the business interest of a commercial interest.

The faculty reported the following financial relationships with commercial interests whose products or services may be mentioned in this CME activity:

Disclaimer
The content, views and opinions presented in this educational activity are those of the authors and do not necessarily reflect those of Medical Education Resources. The authors have disclosed if there is any discussion of published and/or investigational uses of agents that are not indicated by the FDA in their presentations. MER’s ANCC accreditation status does not imply endorsement by MER or ANCC of any commercial products displayed in conjunction with this activity. Before prescribing any medicine, primary references and full prescribing information should be consulted. Any procedures, medications, or other courses of diagnosis or treatment discussed or suggested in this activity should not be used by clinicians without evaluation of their patient’s conditions and possible contraindications on dangers in use, review of any applicable manufacturer’s product information, and comparison with recommendations of other authorities. The information presented in this activity is not meant to serve as a guideline for patient management.

All lectures incorporate time for questions and answers.
Due to last-minute updates by the faculty, flash drives may differ from the actual presentations.
Accreditation

Physician Accreditation
Medical Education Resources is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit Designation
Medical Education Resources designates this live activity for a maximum of 11 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

American Academy of Family Physicians
This Live activity, Dermatology for the Non-Dermatologist, with a beginning date of December 28, 2014 has been reviewed and is acceptable for up to 11 Prescribed credits by the American Academy of Family Physicians. Physicians should only claim the credit commensurate with the extent of their participation in the activity.

American Osteopathic Association
These programs are approved for 11 hours in Category 2-A by the American Osteopathic Association.

Canadian Physicians
The College of Family Physicians of Canada (CFPC) has a reciprocal credit agreement with the American Academy of Family Physicians (AAFP) for activities which offer Prescribed credit. CFPC members who complete these conferences may claim the equivalent number of Mainpro-M1 credits.

American Academy of Physician Assistants
AAPA accepts certificates of participation for educational activities certified for Category I credit from AOACCME, Prescribed credit from AAFP, and AMA PRA Category 1 Credit(s)™ from organizations accredited by ACCME or a recognized state medical society. Physician assistants may receive a maximum of 11 hours of Category I credit for completing this program.

Nursing Accreditation
Medical Education Resources is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center’s Commission on Accreditation. This CE activity provides 11 contact hours of continuing nursing education.

Provider approved by the California Board of Registered Nursing, Provider Number 12299, for 11 contact hours.
Pharmacy Accreditation

Medical Education Resources (MER) is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. MER designates this continuing education activity for 11 contact hours (1.1 CEUs) of the Accreditation Council for Pharmacy Education.

Universal Program Number: 0816-0000-14-050-L01-P

Participants will be required to sign in at the start of the program and/or complete a program evaluation form. Certificates of credit will be provided at the conclusion of the activity. This activity is certified as Knowledge-based CPE.
