DERMATOLOGY FOR PRIMARY CARE

Scottsdale, Arizona – The Phoenician
February 13 – 15, 2015

Participating Faculty

Jennifer Krejci-Manwaring, MD
Assistant Professor, University of Texas Health Science Center
Staff Dermatologist, Audie Murphy Veteran’s Hospital
Medical Director/Owner, Limmer Hair Transplant Center

Brett K. Matheson, MD
Assistant Clinical Professor
University of Colorado Health Sciences Center
Private Practice, Colorado Springs, Colorado

Linda Stein Gold, MD
Director of Clinical Research
Department of Dermatology
Henry Ford Hospital
Detroit, Michigan
Jennifer Krejci-Manwaring, MD
Assistant Professor, University of Texas Health Science Center
Staff Dermatologist, Audie Murphy Veteran’s Hospital
Medical Director/Owner, Limmer Hair Transplant Center

Dr. Krejci-Manwaring received her undergraduate degree from Trinity University in San Antonio and her medical degree from the University of Texas Medical School in Houston. An internship in Internal Medicine was completed at the University of Texas Medical School in Houston followed by a research fellowship in Dermatology at Wake Forest University School of Medicine in Winston-Salem and a Dermatology residency at the University of Kansas Medical Center in Kansas City.

Dr. Krejci-Manwaring has been the recipient of several awards including the Doctoral Achievement Award from West San Antonio Chamber of Commerce and “Top Docs” of San Antonio in November Scene in SA. She is a member of the American Academy of Dermatology, the Texas Dermatology Society/San Antonio Dermatology Society and the Women’s Dermatologic Society. Dr. Krejci-Manwaring has also been involved with numerous publications and presentations, as well as being very involved in the medical student curriculum for Dermatology. She enjoys teaching and mentoring students.
Brett K. Matheson, MD
Assistant Clinical Professor
University of Colorado Health Sciences Center;
Private Practice, Colorado Springs, Colorado

Dr. Matheson received his undergraduate degree from Brigham Young University and his medical degree from Georgetown University School of Medicine. After graduating from medical school, he served nine years as a medical officer in the United States Navy, including two tours to Japan. He completed a Dermatology residency at the Naval Medical Center in San Diego and a fellowship in Mohs and Dermatologic Surgery at the University of Colorado.

Dr. Matheson is a diplomate of the American Board of Dermatology, and a Fellow of the American College of Mohs Micrographic Surgery and Cutaneous Oncology. Dr. Matheson’s interests include skin cancer treatment and reconstructive surgery. He has lectured extensively about skin cancer and cutaneous surgery and has served as faculty in several hands-on surgical labs. His research interests in residency focused on laser tattoo removal, and for a few years following residency, he lectured to dermatologists about the history, psychology, and adverse side effects of tattooing. He enjoys the outdoors, photography, and travel. He is fluent in Japanese.
Linda Stein Gold, MD
Director of Clinical Research
Department of Dermatology
Henry Ford Hospital
Detroit, Michigan

Dr. Stein Gold is director of dermatology clinical research and division head of dermatology in the Henry Ford Health System in Detroit and West Bloomfield, Michigan, where she previously served as senior staff physician and associate director of dermatology research. Dr. Stein Gold completed her medical degree at the University of Pennsylvania School of Medicine in Philadelphia, followed by an internship in the Department of Internal Medicine at the Hospital of the University of Pennsylvania and a residency in dermatology at Henry Ford Hospital in Detroit.

Dr. Stein Gold has been an investigator in numerous clinical studies and is a frequent lecturer at the regional and national levels on areas of dermatology, including psoriasis, alopecia, viral infections, atopic dermatitis, and fungal infections.
Friday, February 13th:

7:30 am – 8:00 am
Registration and Hot Breakfast

8:00 am – 9:00 am – Linda Stein Gold, MD
Dermatitis
Contact, atopic, irritant, nummular, seborrheic and exfoliative; diagnosis and management

9:00 am – 10:00 am – Linda Stein Gold, MD
Papulosquamous Diseases
Psoriasis, lichen planus, pityriasis rosea, lupus erythematosus; how to tell one scaly rash from another

10:00 am – 10:10 am
Coffee Break

10:10 am – 11:10 am – Jennifer Krejci-Manwaring, MD
Bacterial Infections
Impetigo, ecthyma, folliculitis, furunculosis, necrotizing fasciitis, Lyme disease, syphilis; diagnosis and management

11:10 am – 11:40 am – Jennifer Krejci-Manwaring, MD
Acne and Acneiform Eruptions
Topical and systemic therapy

11:40 am – 12:40 pm – Linda Stein Gold, MD
Viral Infections
Herpes simplex, varicella-zoster, viral exanthems, molluscum and warts

12:40 pm
Session Adjourns
Saturday, February 14th:

7:30 am – 8:00 am
Hot Breakfast

8:00 am – 9:00 am – Jennifer Krejci-Manwaring, MD
Skin Manifestations of Systemic Disease
Diagnosis of internal disease based on cutaneous findings

9:00 am – 9:30 am – Jennifer Krejci-Manwaring, MD
Case Presentations

9:30 am – 10:30 am – Linda Stein Gold, MD
Fungal Infections
Dermatophytes, tinea versicolor, candidiasis, selected deep fungal infections; diagnosis and management

10:30 am – 10:40 am
Coffee Break

10:40 am – 11:40 am – Brett K. Matheson, MD
Benign Skin Tumors.
Nevi, seborrheic keratosis keloids, hemangiomas and miscellaneous tumors

11:40 am – 12:40 pm – Brett K. Matheson, MD
Skin Surgery for Primary Care

12:40 pm
Session Adjourns
Sunday, February 15th:

7:30 am – 8:00 am
Continental Breakfast

8:00 am – 9:00 am – Brett K. Matheson, MD
Premalignant and Malignant Skin Tumors
Actinic keratosis, Bowen’s disease, squamous cell carcinoma, basal cell carcinoma, melanoma and other selected tumors

9:00 am – 10:00 am – Brett K. Matheson, MD
Case Presentations

10:00 am
Conference Adjourns

Target Audience
This program is targeted to office-based primary care providers and other health professionals with updates in primary care medicine

Learning Objectives
Upon completion of this program, participants should be better able to:

• Discriminate the diagnostic principles and treatment options for dermatitis, papulosquamous diseases, as well as viral, fungal and bacterial infections
• Describe the step-wise approach for the diagnosis and treatment of acne and acneiform eruptions
• Identify cutaneous findings that serve as surrogates of internal diseases
• Differentiate benign and malignant skin tumors and employ appropriate interoffice procedures
• Counsel patients on appropriate sun protection measures

Nursing Purpose Statement
To provide updates in primary care medicine to office based providers
Disclosure of Conflicts of Interest

Medical Education Resources insures balance, independence, objectivity, and scientific rigor in all our educational programs. In accordance with this policy, MER identifies conflicts of interest with its instructors, content managers, and other individuals who are in a position to control the content of an activity. Conflicts are resolved by MER to ensure that all scientific research referred to, reported, or used in a CME activity conforms to the generally accepted standards of experimental design, data collection, and analysis. MER is committed to providing its learners with high-quality CME activities that promote improvements or quality in health care and not the business interest of a commercial interest.

The **faculty** reported the following financial relationships with commercial interests whose products or services may be mentioned in this CME activity:

**Disclaimer**

The content, views and opinions presented in this educational activity are those of the authors and do not necessarily reflect those of Medical Education Resources. The authors have disclosed if there is any discussion of published and/or investigational uses of agents that are not indicated by the FDA in their presentations. Before prescribing any medicine, primary references and full prescribing information should be consulted. Any procedures, medications, or other courses of diagnosis or treatment discussed or suggested in this activity should not be used by clinicians without evaluation of their patient’s conditions and possible contraindications on dangers in use, review of any applicable manufacturer’s product information, and comparison with recommendations of other authorities. The information presented in this activity is not meant to serve as a guideline for patient management.

All lectures incorporate time for questions and answers. Due to last-minute updates by the faculty, flash drives may differ from the actual presentations.
**Accreditation**

**Physician Accreditation**
Medical Education Resources is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

**Credit Designation**
Medical Education Resources designates this live activity for a maximum of 11 *AMA PRA Category 1 Credit(s)™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**American Academy of Family Physicians**
This Live activity, *Dermatology for Primary Care*, with a beginning date of February 13, 2015 has been reviewed and is acceptable for up to 11 Prescribed credits by the American Academy of Family Physicians. Physicians should only claim the credit commensurate with the extent of their participation in the activity.

**American Osteopathic Association**
These programs are approved for 11 hours in Category 2-A by the American Osteopathic Association.

**Canadian Physicians**
The College of Family Physicians of Canada (CFPC) has a reciprocal credit agreement with the American Academy of Family Physicians (AAFP) for activities which offer Prescribed credit. CFPC members who complete these conferences may claim the equivalent number of Mainpro-M1 credits.

**American Academy of Physician Assistants**
AAPA accepts certificates of participation for educational activities certified for Category I credit from AOACCME, Prescribed credit from AAFP, and *AMA PRA Category 1 Credit(s)™* from organizations accredited by ACCME or a recognized state medical society. Physician assistants may receive a maximum of 11 hours of Category I credit for completing this program.

**Nursing Accreditation**
Medical Education Resources is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center’s Commission on Accreditation. This CE activity provides 11 contact hours of continuing nursing education.

Provider approved by the California Board of Registered Nursing, Provider Number 12299, for 11 contact hours.
Pharmacy Accreditation

Medical Education Resources (MER) is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. MER designates this continuing education activity for 11 contact hours (1.1 CEUs) of the Accreditation Council for Pharmacy Education.
Universal Program Number: 0816-0000-15-XXX-L01-P

Participants will be required to sign in at the start of the program and/or complete a program evaluation form. Certificates of credit will be provided at the conclusion of the activity. This activity is certified as Knowledge-based CPE.
