INTERNAL MEDICINE FOR PRIMARY CARE:
ORTHOPEDICS/RHEUMATOLOGY/DERMATOLOGY

Las Vegas, Nevada – The Bellagio
December 28 – 30, 2014

Participating Faculty

Tanya Doan, MDCM
Rheumatologist
PMG Physician Associates, PC
Plymouth, Massachusetts

Robert L. Kalb, MD
Clinical Assistant Professor of Surgery
The Medical College of Ohio;
Clinical Instructor, Residency Teaching Program
Mercy Hospital;
Clinical Instructor and Adjunct Professor,
University of Toledo;
Clinical Affiliate, The Cleveland Clinic;
Private Practice of Orthopedic Surgery
Bone Joint and Spine Surgeons
Toledo, Ohio

Jennifer Krejci-Manwaring, MD, FAAD
Assistant Professor
UT Health Science Center, San Antonio
Staff Dermatologist, Director of Teledermatology and Laser Services
Audie Murphy Veteran’s Hospital
San Antonio, Texas
Tanya Doan, MDCM
Rheumatologist
PMG Physician Associates, PC
Plymouth, Massachusetts

Dr. Doan received her undergraduate degree from Vanier College and her medical degree from McGill University in Montreal, Quebec, Canada. She completed an internship and residency in Internal Medicine at Mount Auburn Hospital, Harvard Medical School followed by a fellowship in Rheumatology at Tufts Medical Center in Boston. While at Tufts, she had the opportunity to do clinical research graduate program coursework at the Tufts Sackler School of Biomedical Sciences, which allowed her to be involved in clinical research studies of lupus and rheumatoid arthritis. In addition to being board certified in Internal Medicine and Rheumatology, Dr. Doan is certified by the International Society for Clinical Densitometry to interpret bone density studies. She has a special interest in osteoporosis. Dr. Doan was a recipient of the Ruth L. Kirschstein National Research Service Award of the NIH.
Robert L. Kalb, MD  
Clinical Assistant Professor of Surgery  
The Medical College of Ohio;  
Clinical Instructor, Residency Teaching Program  
Mercy Hospital;  
Clinical Instructor and Adjunct Professor,  
University of Toledo;  
Clinical Affiliate, The Cleveland Clinic;  
Private Practice of Orthopedic Surgery  
Bone Joint and Spine Surgeons  
Toledo, Ohio

Dr. Kalb received his undergraduate degree from Capital University in Columbus, Ohio and his medical degree from Ohio State University. He completed a residency in family practice at The Toledo Hospital and a residency in orthopaedic surgery at Medical College of Ohio. Dr. Kalb is board certified in family practice and orthopaedic surgery and has served as an instructor at the Certificate for Added Qualification in Sports Medicine Preparation Course.

His special interest is teaching office orthopaedics for primary care physicians. He has developed a lecture workshop program on evaluation and treatment of musculoskeletal problems including joint injection and aspiration. Dr. Kalb is widely published and has given numerous presentations to professional and civic groups, as well as serving as an editorial board reviewer for the American Family Physician Journal. He has lectured nationally and internationally and served as an orthopedic surgeon on service missions to Pakistan, Africa and South America.
Jennifer Krejci-Manwaring, MD, FAAD
Assistant Professor
UT Health Science Center, San Antonio
Staff Dermatologist, Director of Teledermatology and Laser Services
Audie Murphy Veteran’s Hospital
San Antonio, Texas

Dr. Krejci-Manwaring received her undergraduate degree from Trinity University in San Antonio and her medical degree from the University of Texas Medical School in Houston. An internship in Internal Medicine was completed at the University of Texas Medical School in Houston followed by a research fellowship in Dermatology at Wake Forest University School of Medicine in Winston-Salem and a Dermatology residency at the University of Kansas Medical Center in Kansas City.

Dr. Krejci-Manwaring has been the recipient of several awards including the Doctoral Achievement Award from West San Antonio Chamber of Commerce and “Top Docs” of San Antonio in November Scene in SA. She is a member of the American Academy of Dermatology, the Texas Dermatology Society/San Antonio Dermatology Society and the Women’s Dermatologic Society. Dr. Krejci-Manwaring has also been involved with numerous publications and presentations, as well as being very involved in the medical student curriculum for Dermatology. She enjoys teaching and mentoring students.
Sunday, December 28th:

7:30 am – 8:00 am
Registration and Hot Breakfast

8:00 am – 8:50 am – Tanya Doan, MDCM
Evaluating the Patient with Joint Pain
Differentiating between inflammatory and non-inflammatory joint pain; the utility of joint aspiration with interpretation of synovial fluid analysis; differential diagnosis of joint pain

8:50 am – 10:10 am – Robert L. Kalb, MD
The Shoulder: Anatomy, Common Injuries and Exam Techniques
Evaluation and treatment of common shoulder problems

10:10 am – 10:20 am
Coffee Break

10:20 am – 11:45 am – Robert L. Kalb, MD
The Shoulder: Examination and Injection workshop

11:45 am – 12:15 pm – Robert L. Kalb, MD
The Knee: Anatomy, Common Injuries and Exam Techniques
Evaluation and treatment of common knee problems

12:15 pm – 12:40 pm – Robert L. Kalb, MD
The Knee: Examination and Injection workshop

12:40 pm
Session Adjourns
Monday, December 29th:

7:30 am – 8:00 am  
Registration and Hot Breakfast

8:00 am – 9:00 am – Jennifer Krejci-Manwaring, MD, FAAD  
Papulosquamous Diseases  
Psoriasis, lichen planus, pityriasis rosea, lupus erythematosus; how to tell one scaly rash from another

9:00 am – 10:00 am – Jennifer Krejci-Manwaring, MD, FAAD  
Acne and Acneiform Eruptions  
Topical and systemic therapy

10:00 am – 10:10 am  
Coffee Break

10:10 am – 11:00 am – Tanya Doan, MDCM  
Osteoporosis  
Review the epidemiology and pathophysiology of osteoporosis along with interpretation of DEXA scans and FRAX risk assessment; up-to-date therapeutic options

11:00 am – 11:40 am – Tanya Doan, MDCM  
Crystal Disease: Gout and Pseudogout  
Properly diagnosing and treating crystal diseases such as gout and pseudogout

11:40 am – 12:40 pm – Tanya Doan, MDCM  
Fibromyalgia  
Differential diagnosis and treatment of this difficult-to-manage pain syndrome

12:40 pm  
Session Adjourns
Tuesday, December 30th:

7:30 am – 8:00 am
Continental Breakfast

8:00 am – 9:00 am – Jennifer Krejci-Manwaring, MD, FAAD
Skin Manifestations of Systemic Disease
Diagnosis of internal disease based on cutaneous findings

9:00 am – 10:00 am – Jennifer Krejci-Manwaring, MD, FAAD
Premalignant and Malignant Skin Tumors
Actinic keratosis, Bowen’s disease, squamous cell carcinoma, basal cell carcinoma, melanoma and other selected tumors

10:00 am
Seminar Adjourns

Target Audience
This program is targeted to office-based primary care providers and other health professionals with updates in primary care medicine

Learning Objectives
Upon completion of this program, participants should be better able to:

• Describe the anatomy and function of the shoulder and knee joints
• Describe how and when to utilize joint aspiration and injection for the shoulder and knee joints
• Differentiate between inflammatory and non-inflammatory joint pain and the differential diagnosis of each category
• Evaluate and treat osteoporosis and gout
• Discriminate the diagnostic principles and treatment options for papulosquamous diseases, as well as premalignant and malignant skin tumors
• Describe the stepwise approach for the diagnosis and treatment of acne and acneiform eruptions
• Describe skin manifestations of internal diseases based on cutaneous findings

Nursing Purpose Statement
To provide updates in primary care medicine to office based providers
Disclosure of Conflicts of Interest

Medical Education Resources insures balance, independence, objectivity, and scientific rigor in all our educational programs. In accordance with this policy, MER identifies conflicts of interest with its instructors, content managers, and other individuals who are in a position to control the content of an activity. Conflicts are resolved by MER to ensure that all scientific research referred to, reported, or used in a CME activity conforms to the generally accepted standards of experimental design, data collection, and analysis. MER is committed to providing its learners with high-quality CME activities that promote improvements or quality in health care and not the business interest of a commercial interest.

The faculty reported the following financial relationships with commercial interests whose products or services may be mentioned in this CME activity:

Disclaimer

The content, views and opinions presented in this educational activity are those of the authors and do not necessarily reflect those of Medical Education Resources. The authors have disclosed if there is any discussion of published and/or investigational uses of agents that are not indicated by the FDA in their presentations. MER’s ANCC accreditation status does not imply endorsement by MER or ANCC of any commercial products displayed in conjunction with this activity. Before prescribing any medicine, primary references and full prescribing information should be consulted. Any procedures, medications, or other courses of diagnosis or treatment discussed or suggested in this activity should not be used by clinicians without evaluation of their patient’s conditions and possible contraindications on dangers in use, review of any applicable manufacturer’s product information, and comparison with recommendations of other authorities. The information presented in this activity is not meant to serve as a guideline for patient management.

All lectures incorporate time for questions and answers.
Due to last-minute updates by the faculty, flash drives may differ from the actual presentations.
Accreditation

Physician Accreditation
Medical Education Resources is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit Designation
Medical Education Resources designates this live activity for a maximum of 11 *AMA PRA Category 1 Credit(s)™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

American Academy of Family Physicians
This Live activity, *Internal Medicine for Primary Care*, with a beginning date of December 28, 2014 has been reviewed and is acceptable for up to 11 Prescribed credits by the American Academy of Family Physicians. Physicians should only claim the credit commensurate with the extent of their participation in the activity.

American Osteopathic Association
These programs are approved for 11 hours in Category 2-A by the American Osteopathic Association.

American College of Emergency Physicians
This program is approved by the American College of Emergency Physicians for a maximum of 11 hours of A.C.E.P. Category I credit.

Canadian Physicians
The College of Family Physicians of Canada (CFPC) has a reciprocal credit agreement with the American Academy of Family Physicians (AAFP) for activities which offer Prescribed credit. CFPC members who complete these conferences may claim the equivalent number of Mainpro-M1 credits.

American Academy of Physician Assistants
AAPA accepts certificates of participation for educational activities certified for Category I credit from AOACCME, Prescribed credit from AAFP, and *AMA PRA Category 1 Credit(s)™* from organizations accredited by ACCME or a recognized state medical society. Physician assistants may receive a maximum of 11 hours of Category I credit for completing this program.

Nursing Accreditation
Medical Education Resources is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center’s Commission on Accreditation. This CE activity provides 11 contact hours of continuing nursing education.

Provider approved by the California Board of Registered Nursing, Provider Number 12299, for 11 contact hours.
Pharmacy Accreditation

Medical Education Resources (MER) is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. MER designates this continuing education activity for 11 contact hours (1.1 CEUs) of the Accreditation Council for Pharmacy Education.
Universal Program Number: 0816-0000-14-071-L01-P

Participants will be required to sign in at the start of the program and/or complete a program evaluation form. Certificates of credit will be provided at the conclusion of the activity. This activity is certified as Knowledge-based CPE.
